The Mail & Guardian A-Z of South African Politics-Barbara Ludman 2004 The A-Z of South African Politics 2004 is an essential and entertaining guide for navigating the corridors of power in South Africa today. Written by Mail & Guardian reporters and other experts associated with the award-winning newspaper, the book will give readers an under-the-skin look at the country's political movers and shakers. Three previous editions of the A-Z of SA Politics have been best sellers. The M&G decided to compile a fourth edition after continual requests by readers and booksellers for another edition looking at who's in, who's out and who's important in South African political life - and what it means for the rest of us. This lively reference work covers national government, judges, priests and premiers -- and those people, out of government, whom it would be folly to ignore.
